**Re: Comments & a Motion to Accept Late Filing Filed by Warren
Havens and Telesaurus Holdings GB, LLC in RM—10403 (Progeny
Petition for Rulemaking)**

All:

This fax is to give you notice that Warren Havens and Telesaurus Holdings GB, LLC (Telesaurus) filed Comments in RM-10403 on 5/16/02. The comments were filed one day late, but available for viewing and retrievable at the FCC's Electronic Comment Filing System (ECFS) by 1pm EST, possibly earlier, on 5/16/02. That same day Warren Havens and Telesaurus also filed a Motion to Accept Late Filing (Motion) of the Comments.

If you do not already have a copy of the above-noted Comments and Motion, you may obtain them immediately by going to the FCC's ECFS site, entering in "RM-10403" in the "Proceeding" blank and downloading both. For convenience a link to the ECFS is provided below:

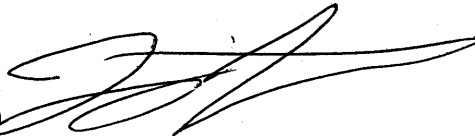

http://gullfoss2.fcc.gov/prod/ecfs/comsrch_v2.cgi

In addition, today we will be mailing each of you a paper copy via Airborne Express overnight delivery. We are not faxing each of you a copy since the Comments exceeded 70 pages and would occupy your faxes for quite some time.

If for any reason you have any questions regarding this matter, please feel free to call me at 510-841-2220ext.30.

Sincerely,

Jimmy Stobaugh
